Experiment PDX

is an interactive museum and event space for the curious and creative of all ages. Located in inner southeast Portland, Experiment offers science and maker/crafting activities to be enjoyed with the whole family or over a drink with new friends.

- Explore our ever-evolving, hands-on science museum and crafting lab
 - Feed your curiosity with our special exhibits, classes, and programs
 - Drop by for our regular discussion, creation, and gaming nights
 - Shop our selection of natural history inspired art and gifts
 - Register your kids for onsite or after-school camps and classes
-

Make Experiment PDX the venue for your lecture, workshop, art show, book launch, science/art group, or special occasion; book by the hour or day, or inquire about terms for your class or monthly event.
